BMZ – Product Change Notification (Lithium-Ion Mangan Batteries)

Dear Sir or Madam,

Due to an order from the battery manufacturer Sony, the pack assembler BMZ had to make a change in by renaming the battery model.

This change reverses to the following articles:

Battery model, before:	US14500V1 US18650V1 US18650VT1 US18650VTC1
Battery model, now:	BM14500Z1 BM18650Z1 BM18650ZT1 BM18650ZTC1

This change is valid from the October 1st, 2008.

Description:

There is a new description of the model due to an order from Sony but any technical parameters are the unchanged.

Any questions? – Please contact the product marketing via batteries@msc-ge.com or your Gleichmann sales partner.

Yours sincerely,

Gleichmann & Co. Electronics GmbH
