

**Product Change Notification - No. NL10.06.2010**

10.06.2010

**New MIC/ACTIVE SPK-Set**

Products:

MIC/ACTIVE-SPK-12V-SET

MIC/ACTIVE-SPK-24V-SET

MIC/ACTIVE-SPK-24V-SET/PS

Falcom informs that they offer from now on a microphone/speaker-set that can be used both for cars and trucks. The active loudspeaker covers the voltage range from 6 to 35 volt. Thus distinction between 12V and 24V in the part number is omitted. The part description is now **MIC/ACTIVE-SPK-SET**. Price remains the same.
