END OF LIFE PRODUCT NOTIFICATION

PRODUCTS AFFECTED:	ORDER NUMBERS: (x=all available versions)
CRTtoLCD-7 Multimedia	21110
Last Time Buy: 31st December 2008	Last Time Delivery: 30th June 2009
Purpose of Notification:	end of availability, discontinue of production

EXPLANATION:

CRTtoLCD-7 Multimedia P/N 21110, the successful member of the Kontron Flat Panel Solutions a*FLAT-series*, has reached end of lifecycle, due to the EOL notification of Genesis Microchip Inc. for the digital video format converter Faroudja FLI 2310

LAST TIME BUY/DELIVERY:

We will accept **purchase orders** for the above mentioned products until December 31st 2008, for **delivery** until June 30th 2009.

FUTURE POLICY:

Nevertheless **Kontron**[®] follows a policy of long term availability of our products and stands behind the commitment to offer our customers a migration path to an equivalent product. So we will keep you informed about new product developments and launches in time.

Please note: All other versions of CRTtoLCD-7 with the **P/Ns 21111, 21112, 21113, 21114** are not affected and **will be available further on.**
