## Product Discontinuance

- Macronix is announcing the discontinuance of the 8-SON package for the MX25L8005, a 3V 8Mb Serial Flash Memory product specified by part numbers on page 4 of this notification. This package is being discontinued because the demand for this package on the 3V, 8Mb serial flash product did not materialize as expected and the low volumes are not translating to projected profitability.

## Recommendations

- Macronix now offers the MX25L8005, the 8Mb serial flash in 8-WSON package(MX25L8005ZNI-12G). Macronix requests you to qualify the above flash product as quickly as possible in order for us to continue supporting you without interruption.
