

## 64MSDRAM N - die EOL Notification

Samsung has decided to announce the "EOL" of 64MSDRAM N - die products in order to streamline our product portfolio and to concentrate on more advanced products.

Our EOL execution schedule is as follows:

**1. 15.MAY.2010:**

Samsung requests Non - Cancelable Last - Time Buy Orders (LTBOs)

**2. 15.NOVEMBER.2010:**

Samsung will complete final shipments of all 64MSDRAM N - die products.

**EOL Devices  
All 64MSDRAM N - die Products**

Family	Package Type Package Pin Type	End Item
64MSDRAM N - die	ALL ALL	64MSDRAM N - die

\* SEC will release soon if there is conversion plan.

Samsung would like to thank customers that used the 64MSDRAM N - die over its long lifetime. We understand that the EOL could cause some problems due to redesign requirements and other issues. We hope that this timely notification allows you to complete most existing projects using your current designs and that a minimum of inconvenience is caused.

Should you have special requirements, feel free to speak with your Samsung representative.

Thanks for your understanding and we look forward to working with you on other alternatives of Samsung's memory products.

Sincerely,  
Memory Marketing Group  
Samsung Electronics Co., LTD
