

## SST Communications

January 21, 2010

EOL Number: D0130002

**Subject: End Of Life Notification Letter**

**Products: SST13LP01 / Product Rev B**

Dear Valued Customer,

SST Communications has recently decided to phase out the **SST13LP01 - Rev B**. Although SST Communications does not have a direct replacement part, we recommend that customers convert to the SST13LP05 if a layout change is an option. Additionally, because of the low demand and limited inventory on hand, SST Communications can only provide three months notice to the last purchase order date and while the quantity lasts for the last-time buy. Please see below for important information.

1. After **April 21, 2010**, no new orders will be taken. All customers who need to issue end of life purchase orders are encouraged to do so as soon as possible.
2. After **April 21, 2010**, SST will continue to ship existing inventory of the old product against all backlog until October 21, 2010.
3. From **April 21, 2010 until October 21, 2010**, our distributors and international stocking reps will continue to sell existing inventory, until that inventory is depleted.
4. All new orders for this device are non-cancelable.
5. For lead times on both the outgoing and recommended replacement products, please contact your local sales representative.

If you have any questions, or if this EOL plan presents significant difficulties for your business, please feel free to contact me at (310) 577-3618 or [lhwang@sst.com](mailto:lhwang@sst.com).

Sincerely,

Leo Hwang  
Senior Manager, Business Planning
